

# SCHOOL TRIP TO DIERENRIJK

## **Dierenrijk - get closer to the animals**

Hey, you, listen up! Near Eindhoven, among the fields, is a very special zoo. It's a great place where people and animals can have fun together. From large rhinos to small penguins, and from proud tigers to lively little fish, they all join in at Dierenrijk. What are you waiting for? Wind your way through our playground, come face to face with your new favourite animal, and discover the animal world up close.

## **Out with the class**

Visiting the Indian rhinos, Humboldt penguins and the young elephant Rashmi will make a school trip to Dierenrijk unforgettable! Go on a journey with an informative guide and have your class guided around Dierenrijk. After this, they will know all about animals and nature conservation. In between, children also learn about animals in a playful way by, for example by imitating the chimpanzees in the indoor playground 'Indoor Monkey Play'.
